

Lyons Chapter - Colorado Archaeological Society

January 1984

Hello and Happy New Year to you!

It seems like it's almost been an ice age since we last gathered together. (Our November meeting got snowed out and so many folks were traveling to somewhere out of the area for Christmas that December's meeting was also canceled.) We hope everyone from CAS-Lyons and their families had a warm and joyous holiday season. With the arrival of the new year and the return of all of those who have recently been away, it is now appropriate that we re-excavate and renew our (Lyons) Chapter in CAS.

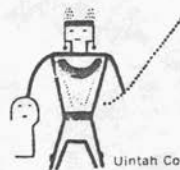

1983 saw an amended set of bylaws and a reorganization of the executive board of CAS-Lyons approved by its members, while several other proposals were left pending from our October meeting. As was mentioned in the last newsletter (October), a nominating committee should present a slate of officers, taken from our membership at large, to be voted in for 1984. This not yet having been done, we have need of an organizational meeting. This will follow our guest speaker and will take place on Tuesday, January 31, beginning at 7:00 p.m. in room 157 of the University of Colorado Student Memorial Center (UMC), Boulder. Mr. Ivol Hagar, Executive Secretary of CAS, Inc., will probably/possibly give his previously scheduled talk on Front Range Archaeology. (Louise Derr, program coordinator, has not confirmed Mr. Hagar's appearance, but promises that there will be a speaker.)

This writer sincerely hopes that throughout 1984 we will continue to share and enjoy with each other our mutual interest in archaeology.
