NOVEMBER

VOLUME 3, ISSUE 11

## CALENDAR

- Nov. 8 PAAC Combined Archaeological Survey and Colorado Pre-History Test, 7 PM, at Leni Clubb's, 8191 N. 81st St., Longmont. (652-2203) Final test toward Provisional Surveyor Certification. For more information call Leni (652-2203) or Kay Evatz (776-6491)
- Nov. 14 Atlatl Orientation Meeting, at Lee & Sue Lacey's, 2262 Juniper Ct., Boulder. See additional information this publication.
- Nov. 14-18 83rd Annual Meeting, American Anthropological Association, Denver Hilton, Court St., Downtown Denver.
- Nov. 20 Lyons Chapter Executive Board Meeting, Leni Clubb's, 8191 N. 81st St., Longmont (652-2203)
- Nov. 27 Lyons Chapter Regular Meeting, 7:30 PM, Rm. 159, U. M. C., C. U. Campus, Boulder. Dr. Hannah Huse of C. U. speaking on "From Pots to Potters." A Case Study of the Hopi Kawaika-a Ceramic Collection.  
Election of 1985 Officers follows.
- Dec. 6-11-13 PAAC Course on Laboratory Techniques, Colorado Heritage Center, 1300 Broadway, Denver, Classroom C. 7:00-9:30 PM  
See additional information this publication.
- Dec. 18 Lyons Chapter First Annual Christmas Party at Jean Kindig's, 714 Kalmia, Boulder. Installation of Officers for 1985.

PAAC COMBINED SURVEY & PRE-HISTORY TEST

O. D. will be on hand (very poor pun) to give this comprehensive test. There will be an hour review from 7 to 8 PM and the test will be from 8 to 10 PM. Those of you who have had the above two courses have the opportunity to complete this requirement toward certification. Both of these classes were held at Leni's so all of you know the way and if you have forgotten, call 652-2203 for directions.

ATIATL ORIENTATION MEETING, NOV. 14

All of you who have signed up for this workshop will have received a letter with time and place. This is an initial meeting to discuss materials and tools needed, plus suggestions for additional research, and hand-outs of instructions that several of us have been able to find.

AMERICAN ANTHROPOLOGICAL ASSOCIATION ANNUAL MEETING

As a Chapter we are unable to arrange a car-pool for those who would like to attend these interesting and informative meetings from Nov. 14th thru 18th, but if you are a student in the Anthropology Dept. at C. U., the Anthropology Club is in the process of securing a bus to shuttle to the meetings each day. (If you are a student in the Anthro Dept. you are automatically a member of the Anthro Club.) The list for signing up is in the Graduate Students Lounge across from the Anthro office downstairs in Hellem's. Check it out!

EXECUTIVE BOARD MEETING, NOV. 20, 7:30 PM

Again we want to urge any and all members to attend these Executive Board Meetings. We need your input.

REGULAR MEETING, NOV. 27

"From Pots to Potters" is the title of Dr. Hannah Huse's talk and slides. This is a case study in archaeological interpretation using the Earl H. Morris Kawaika-a collection of Hopi Ceramics. Dr. Huse feels that the research potential of these collections is usually under-valued, even by archaeologists and that the one thing the Kawaika-a collection represents is the potential for asking new questions of old collections. Currently, Dr. Huse supervises and teaches in the museology program at the University of Colorado Museum.

ELECTION OF 1985 OFFICERS

At the October meeting, Sue Lacey presented the candidates for 1985 officers, and gave a short biography of each. The slate will be voted on at the November 27th meeting. The Lyons Chapter provides members with the opportunity to vote in elections by absentee ballot. If you would like to vote and cannot attend the meeting, please send the ballot provided on on the following page to Secretary, Lyons Chapter, C. A. S., P. O. Box 663, Niwot, CO 80544. Space has been provided on the ballot for Write-In Candidates. Please exercise your option to vote. Ballots will be handed out at the meeting and absentee ballots should be received at the Niwot post office by November 20th, if possible or no later than Nov. 26th.

BASIC ARCHAEOLOGICAL SITE SURVEY & ETHICS COURSE

Although quite a few members had indicated to various officers at meetings and otherwise that they were vitally interested in the Basic Site survey course only five persons signed up at the October meeting. Also those that did indicated for the most part that they would not be willing to go to Denver for the course. This means that we will have to try to get O D to schedule the class for Boulder or Boulder vicinity. We will have to have at least 10 persons and have our Program Chairman (the Vice President) make arrangements with O D for sometime next year. It will have to be done soon as he is very much in demand for the various PAAC courses. We will have the sign-up sheets at the next meeting again. The last time we were able to schedule this course was January 1983 and there must be many people who want to take it.

CHRISTMAS PARTY, DEC. 18

It is going to be great fun and an opportunity for all of our members to get to know one another better. We have a lot of interesting people in the Chapter, so let's get together and make it a "bang up" affair!! Please put your name on the sign-up sheets at the November meeting and indicate what kind of refreshments you will bring (so we can ask some one to fill in things, if necessary) and if you will be showing your slides (15 only per person or family). This will be a BYOB party. Also there are rumors of door prizes maybe....the committee will be working out the arrangements and will make the announcements of the final plans in the December Calumet, along with a map to Jean Kindig's, 714 Kalmia, Bldr.

Our newly elected officers will be installed sometime during the party so they will be ready to GO on January 1st. Come help make this first Annual Christmas Party a huge success.

1985 MEMBERSHIP DUES

This is a gentle reminder that 1985 membership dues (\$15.00 for individual and \$22.00 for families - amounts include State CAS dues) are due by January 1, 1985. We have just received a supply of membership cards from the Executive Secretary. If you have a friend that wants to join the Lyons Chapter, have them join now and their membership will be for 1985. Let's not be late in sending in our dues.

ABSENTEE BALLOT FORM

Cut on dashed line and return to Lyons Chapter, CAS, Box 663, Niwot, CO 80544

ABSENTEE BALLOT FOR 1985 OFFICERS, LYONS CHAPTER, CAS

<u>OFFICE</u>	<u>NOMINATED CANDIDATE</u>	<u>WRITE-IN CANDIDATE</u>
President	William Boyle <input type="checkbox"/>	<input type="checkbox"/>
Vice President	Ann Pipkins <input type="checkbox"/>	<input type="checkbox"/>
Secretary	Peter Christensen <input type="checkbox"/>	<input type="checkbox"/>
Treasurer	Sara White <input type="checkbox"/>	<input type="checkbox"/>

PAAC LABORATORY TECHNIQUES COURSE

The LABORATORY TECHNIQUES course will once again be offered to all interested CAS members. This is the same Techniques course that was offered last year. It will be followed by an on going archaeology lab. Please call O D Hand, Training Coordinator, if you are interested in taking either the TECHNIQUES course or the LAB. Phone 866-4671.

Meeting place: Colorado Heritage Center  
1300 Broadway (classroom C)  
Denver, CO 80203  
Time: 7:00 - 9:30 PM  
Dates: Laboratory Techniques  
Dec. 6-11-13  
Archaeology Lab  
Thursday evenings starting Jan. 10, 1985

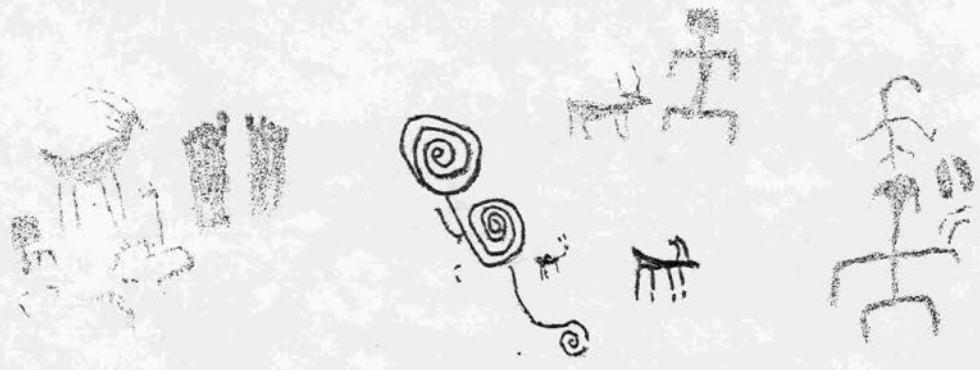

BITS AND PIECES FROM YOUR EDITOR

Would you like to experience erupting volcanoes, mountain-shaking earthquakes and awe-inspiring collisions between the continents???? Then be sure to go to the Denver Museum of Natural History, Denver, for the new IMAX show "Genesis". It is the story of Earth and the continual changes that mold the face of our planet. Call the IMAX recording at 370-6300 to verify showtimes.  
\*\*\*\*\*

If you are lucky and happen to be in Phoenix, Arizona, this winter (and who wouldn't like to be?) absolutely don't miss the Heard Museum's newly opened exposition of the "Native Peoples of the Southwest", the largest permanent exhibition of its kind in the U. S. The "Native Peoples" collection, a chronicle of 150 centuries of the history and culture of the American Southwest opened last Monday. The exhibits are lifesize examples from 15,000 years of history in the area now occupied by Arizona and its neighboring states. In a separate room, the remarkable collection of several hundred kachina dolls are housed. There is also an impressive and vast collection of basketry as well as an extensive exhibit of pottery. The museum is open year around except on holidays from 10 AM to 4:45 PM. Even if you can't get away this winter, maybe you can make it on your summer vacation.

MINUTES OF THE EXECUTIVE BOARD, LYONS CHAPTER, CAS, October 23, 1984.

The meeting was called to order by President, Bill Boyle, at 8 PM at his home, 950 Pasque, Longmont. Four Board members were present and constituted a quorum. Discussion was held concerning the arrangements made for the next speaker, Dr. Omer Stewart. The Henderson Museum has asked permission to tape the Peyote Ceremony presented by Dr. Stewart as the original tape was erased and the Museum wants another for the archives.

The Board agreed to reimburse Kay Evatz for the honorarium paid to Mark Chenault. Also Kay, recently returned from the Primitive Harvest workshop at Crow Canyon, said that she had been approached by Dr. Bruce Bradley regarding a Primitive Pottery class to be held in Boulder in early spring. He would need at least 10 students @ \$100 each for a 4-5 day, 8 hour per day session. Bruce would bring pinon and juniper for the firing. Kay has received an offer of room and board for him if there is enough interest. Subject tabled until next board meeting.

Bill announced that Rabbit Mountain survey scheduled for Sept. 30th had been cancelled due to the snow storm on Friday. Those who had signed up were called.

Kay said she had a list of prospective speakers who had volunteered their expertise. She will turn over the list to the new Vice President.

The Board decided that a sign-up sheet should be available at the next several meetings for those interested in taking the Archaeological Survey class from O. D. Hand. We need to decide on a schedule, what month and would people be willing to go to Denver on Saturdays.

The Board moved and seconded to purchase the APPDAR book for \$17 for the Chapter library. They also agreed to subscribe to membership in the Center for the Study of Early Man which includes a subscription to the Mammoth Trumpet. Bill said we should encourage people to use our library and that we should have a list available for people to request what they wish to read from Cleo Barnes at the meetings.

Discussion was held about social times after meetings. Bill said that it was not possible at the U. M. C., but he would check on the cost of having coffee and cookies catered by U.M.C. Everyone agreed that it would be a good idea to have some sort of social gathering after meetings as this is the only time some of our members see each other.

Sign-up sheets for car pooling for the American Anthropological Assn. Meetings November 14-17 are to be made available at the Oct. meeting.

Suggestion was made to appoint a Co-Field Director (possibly a professional anthropologist or archaeologist). Andi Barnes and Mike Burney (if he joins the Chapter) were suggested.

Bill said he had considered suggesting the Chapter be host to a CAS Quarterly Meeting at the C. U. campus. Those present thought it was a good idea. He will attend the Jan. meeting and suggest it.

Discussion regarding buying film and/or slides of Chapter activities for our archives, and possible purchase of duplicates from members. Meeting adjourned at 9:30. Respectfully submitted, Leni Clubb, Secy.

MINUTES OF THE REGULAR MEETING OF LYONS CHAPTER, OCTOBER 30, 1984

Prior to the business meeting, Kay Evatz, Vice President, introduced Dr. Omer Stewart to a capacity crowd of members and guests. Dr. Stewart related that his first experience with the Peyote religion was in 1937 and his most recent one was in Grand Junction where he testified at a trial. He gave a most interesting talk in which he showed a chart of the positions of the participants in the circle and explained the procedures of the ceremony and the articles used - the drum, the flute, staff, cloth, crucifix and the fan. He said that regardless where the religion is situated - California, Oklahoma, Wisconsin, etc., it remains intact. The people add the religions together, but don't mix them up. After his talk there was an extended question and answer period. The Henderson Museum and the Anthropology Club cooperated in taping the entire talk for the archives.

Bill Boyle, President, opened the business meeting by announcing the availability of the Chaco Protection Act information and urged the membership to write to William Clark, Secretary of the Interior to include Chimney Rock in this protection act. He also requested the membership to write the Regional Forrester (name and address in the October Calumet).

Bill said that Video tapes were made of the Annual Meeting in Canon City. If anyone is interested we can get the tapes for a meeting. He said that the most enjoyable part of the meeting was meeting people from other Chapters.

Boyle apologized for those showing up for the Rabbit Mountain survey which had been cancelled. If a like situation occurs again, call any of the officers for information.

Kay announced that there were sign-up sheets for the PAAC Archaeological Site survey course.

The drawing was held for the Dallas John print and it was won by Peter Christensen, CAS Representative.

Sue Lacey, Chairman of the Nominating Committee, presented the slate of officers with a short biography of each and asked them to stand up so that the membership could see who they were. Bill opened the floor for nominations. There were no new nominations.

Mary Sucke reported on the tee shirts. We can get them in blue or black heather with appropriate color edging on the collar and cuff. The cost to the Chapter will be \$4.25 and we will sell them for a couple dollars more as a fund raising effort. There will be a sign-up sheet and meetings for people to order the size and color they want. There will be samples at the meeting so that new people can see them.

Leni Clubb, Secretary, announced that an Absentee Ballot will appear in the November Calumet and we will vote by ballot at the Nov. meeting.

The meeting adjourned at 10 PM. Respectfully submitted, Leni Clubb, Secy.

BITS AND PIECES CONTINUED

Just received a notice from the Native American Rights Fund (NARF) of their annual National Indian Art Show Benefit, "Visions of the Earth". Dates are Nov. 16 - 6 - 9 PM, Nov. 17-18 - 9 AM - 6 PM. The address is 1506 Broadway, Boulder. (447-8760)  
\*\*\*\*\*

If you are interested in stone circles, you can read about them in a new publication titled Stone Circles; a Review Appraisal and Future Directions, by J. Michael Quigg and John H. Brumley, by sending \$5.00 plus \$2.00 postage to Division of Archaeology and Historic Preservation, State Historical Society of North Dakota, North Dakota Heritage Center, Bismark, North Dakota, 58505.  
\*\*\*\*\*

Another interesting book on Chaco, New Light on Chaco Canyon has been published by the School of American Research Press, P. O. Box 2188, Santa Fe, New Mexico 87504, 1984. After years of concentrated study, archaeologists have begun to penetrate the mysteries surrounding the Chaco Phenomenon. This book was written for the nonspecialist by anthropologists who have recently worked in the canyon and conveys the latest findings about the Chacoans and their fascinating culture. This is a quality soft cover book with many photos, both black and white and color. Your editor just received one as a "pre-Christmas" gift and I recommend it highly.

WELCOME TO NEW MEMBERS
