Dec 18

Indian Peaks Christmas Party, 7:00 to 9:30 pm, at Sue and Rick Lippincott's place in Erie. Bring an archaeological "white elephant" from your kitchen midden for our gift exchange and a snack or dessert. Call Sue or Rick for details - 828-3144.

Jan 15

Indian Peaks Executive Board Meeting, 7:30 pm, at Foothills Nature Center, 4201 North Broadway, Boulder.

Jan 22

Indian Peaks Regular Meeting, 7:30 pm, at Nist Auditorium, 325 Broadway, Dept of Commerce, (Former Bureau of Standards Building), Boulder.

Speaker: Peyson Sheets - Ceren, a village frozen in time: Archaeology in pre Columbian El Salvador.

NOTE: No newsletter in January.

HAPPY HOLIDAYS

The Prez's Coffee Break

Richard R. (Rick) Lippincott

The Chapter Christmas Party will be Wednesday, December 18, from 7 p.m. to 9:30 p.m. (more or less) at Sue and Rick Lippincott's place in Erie. Desserts are the feature of the evening. Bring a gift from around the house (that maybe has something to do with archaeology) and any photos, slides, notes, etc., from the summer to share what has been going on.

A letter from the Colorado Historical Society tells of a provision of the state gaming law that will provide grant funds for cultural resource projects, both historic and archaeological. (That may be redundant, since archaeology is by definition, historical, but nevertheless...) The letter notes that grant funds available may range between a few hundred thousand dollars to around a million bucks. A form with the letter asks if we know any place where we could use some grant money for archaeological preservation -- foolish question!!! Of course we know: How about 5BL2712 (Rock Creek Camp)? This would complete the salvage operation of that sill-threatened site! Anyone have other ideas? Tell Ann Hayes!!!! We need to respond on this by 20 December (just in time for Christmas...ho,ho,hehehe!)

Finally, this is the last "Coffee Break!" Elections were held at the November Chapter meeting (great talk by our own Janet Lever on the sacred nature of petrographic (rock art) sites). Ann Hayes is the new PREZ, with Steve Montgomery as the new PREZ of vice (or something like that, a full list is elsewhere in the Calumet.)

As I reflect back over my time as president of the Chapter, I see some very positive things happening: our "own" location at 4201 N. Broadway, the excellent speaker programs, the surveys for Open Space, the Rock Creek Camp excavation, the survey equipment the Chapter owns, the educational programs we have supported with time and effort.

I would like to say to the officers and members of the Chapter, a

great big **Thank You!!!** for your help, your guidance and counsel, and above all, your support! I know that Ann and the rest of the officers will give leadership to the Chapter that will make you proud to say you are a member of Indian Peaks.

Well, the coffee cup is empty, and as I walk slowly across the hills, trying to find just the right words to justify the recommendations on the Cultural Resources Management form that will satisfy our own Kevin Black, shed no tears: the Nominating Committee asked me to still be a director!

Don't forget the Christmas Party, December 18

Indian Peaks Chapter
Regular Monthly Meeting
January 22, 1992 - 7:30 pm
Nist Auditorium

Dept of Commerce, (Former Bur of Stds)

325 Broadway, Boulder CO

Indian Peaks Executive Board Minutes

The Indian Peaks Executive Board met Nov. 20, 1991 at the North Boulder Nature Center. Present were Sue Lippincott, Steve Montgomery, Anita McHugh, Laura Viola, Jeannie Hamilton, Ann Hayes, Dock Teegarden, Bob Powell, Edna Devai-Alth.

Reports and Action taken:

TREASURER: Account balance \$1,200.00
Move PO Box to New Post Office - 55th & Valmont.

NOMINATIONS: The 1992 Officers slate is submitted as follows:

President	Ann Hayes
Vice President	Steve Montgomery
Secretary	Edna Devai-Alth
Treasurer	Jeannie Hamilton

Directors:	Leni Clubb (Honorary)
Pam Baker	Rick Lippincott
Sue Lippincott	Anita McHugh
Bob Powell	Dock Teegarden

CAS Representative	Bill Maxson
Professional Advisor	Bill Lucius
Project Info Officer	Laura Viola
PAAC Coordinator	Jean Kindig
Calumet Editor	Ed Grefrath

VICE PRES: T-shirt and note card sale will be held after Janet Lever's presentation at Nov meeting, 20% of proceeds to CAS.

Speaker for Jan 22 reg. mtg. - Peyson Sheets

Prospective speaker: McKim Melville is willing to give the second part of his lecture on Ancient Astronomy in the southwest.

NEW BROCHURE: Rough draft and layout presented by Steve M. Production alter. to be explored by Ann Hayes.

CAS QTR MTG: The April 1992 CAS Quarterly meeting will be held at the Wesley Memorial Church.

FIELD WORK: Possible test excavation at Parsons Ranch rock shelter. Pete Gleichman.
Survey on Abernathy homestead to be rescheduled.
Janet Mobley-Tanaka needs volunteers for Lab work.

Submitted by: Edna Devai-Alth, Secretary

Editor's Note: Above slate unanimously elected at the Nov 27 mtg.

COMMENT LETTERS TO FOREST SERVICE NEEDED

The Arapahoe-Roosevelt National forest is currently in the process of revising its 10 year Forest Plan.

The Arapahoe Roosevelt is a treasury of historic and prehistoric archaeological remains. The Indian Peaks Wilderness Area in the Boulder District is especially rich with ancient games drives and associated sites from the last 9,000 years.

The Boulder District, in spite of the impacts of heavy recreational use on cultural resources, has only a \$1,200 budget to survey, salvage and protect these sites.

Please write the Boulder District Ranger: **Michelle Nolde, Boulder District Ranger, Arap/Roos National Forest, 2995 Baseline Road, Room 110, Boulder, CO 80303.** Request that your comments be included in the record for consideration in the Forest Plan. Ask that budget and staff be allocated to accomplish the following:

1. Perform preemptive, detailed archaeological surveys on all projects to be undertaken in the Arapahoe Roosevelt. These surveys should be supervised only by qualified professionals.
2. Immediately undertake salvage archaeological work on those sites that are presently being impacted, i.e., Site 5BL82, an important Mt Albion Complex campsite in the Middle St Vrain Valley which is being impacted by vehicular traffic; Site 5BL73, in the Coney Lake Valley, and site 5BL153 in the Fourth of July Valley which are being damaged by foot and horse traffic (sites are exposed in the trail at both sites). This is work required by the NHPA Law.
3. Take a pro-active initiative to explore, investigate and interpret the rich archaeological record in the Boulder District, and other districts of the Arapahoe Roosevelt.

Be sure to mention that you're a member of CAS, that we provide qualified avocationalists to assist in cultural resource related activities, and that you appreciate the Forest Service's financial help on the "High Altitude Archaeology Exhibit" built by CAS volunteers in 1991.

Forest Plans are under revision, so if you know folks in other CAS chapters, ask them to write their local forest about protecting cultural resources.

For more information call **STEVE MONTGOMERY 443-4414.**

THE FOLLOWING INFORMATION WAS RECEIVED FROM THE
COLORADO HISTORICAL SOCIETY - Editor.

GRANTS PROGRAM FROM GAMING FUNDS

The Society's Office of Archaeology and Historic Preservation (DAHP) is attempting to find out who may be applying for historic preservation grants from the new fund created from the state's revenues from limited gaming.

Grant funds will be available beginning in the summer of 1992 for a wide variety of projects involving historic or archaeological sites. Grants can be made to both public and private entities, including business or individuals. The exact amount of funds available is unknown at the present time; however, the initial projection is around \$750,000.

Anyone who may be interested in applying for a grant either next year or in future years is encouraged to contact DAHP to request a copy of the questionnaire that is being mailed to potential applicants. The questionnaire can be obtained by calling (303) 866-3395, or by writing to DAHP, Colorado History Museum, 1300 Broadway, Denver, CO 80203.

"HIGH ALTITUDE ARCHAEOLOGY" EXHIBIT NEEDS MORE VENUES

Still very much intact after six showings in the last nine months, the CAS exhibit of Jim Benedict's work on Front Range archaeology is available for more public displays. Spectacular photographs and descriptive text! Eight 2'x4' panels. Love to get this into eastern Boulder County City Halls or libraries. Call Steve Montgomery, 443-4414 if you can set something up.
