**November, 2003**

## CALENDAR OF EVENTS

**General (lecture) meetings are held in the University of Colorado Museum, Dinosaur Room  
Second Thursday of each Month, at 7:00 PM. The public is always welcome.**

The Museum parking lot 208 is **NOW AVAILABLE** to non-permit holders, even at night. Cost is \$1.25 per vehicle.

You can also park in the Euclid parking structure for \$1.25. The Euclid parking lot is east of the Museum on Euclid. After parking in the Euclid Parking Structure, walk west on Euclid toward Broadway. Prior to Broadway, take the sidewalk to the right to the Museum parking lot. It is only a few hundred yards.

## 2003 Event Calendar

- November 6** Executive Board Meeting, The Atrium, 30<sup>th</sup> and Iris, Boulder, 7:30 PM
- November 13** **Presentation Meeting, CU Museum, 7 PM**  
Speaker: Jeff Ferguson. Topic: Analysis of the Colorado Obsidian Data Base. <Note the change in presenter and topic>
- December 4** Executive Board Meeting, The Atrium, 30<sup>th</sup> and Iris, Boulder, 7:30 PM
- December 11** **Christmas Party, The Atrium, 30<sup>th</sup> and Iris, Boulder, 6 PM** <Note the change in location>

Our Christmas Party is a pot-luck dinner and fun get-together. The club provides the table service, utensils, and the beverages. Each person (or couple) attending brings a main dish and a salad/dessert to share.

We also feature the White Mammoth Exchange. Each person brings a wrapped gift for exchange. Gifts should be something that you no longer need, no longer want, and are tired of looking at. Not-so-great gifts are the norm. More details will be provided in the November Calumet. Just mark your calendars for this great party.

## Lyons Historical Project

October 18, 2003

Our last work session on the Lyons Survey was the 18<sup>th</sup> of October. The team documented two additional sites – the boarding house and a trash dump associated with it. We have more sites for later this year (maybe) or next year. In the picture below, Clay Volkmann and Robyn Sloan measure one room of the “ice house” while Christine O’toole records the information.

### **Subject: Lab dates at Lowry**

Hi Folks,

The next pages contain details on the upcoming PAAC lab training program at CHS' Museum Support Center in east Denver (Lowry).

There are 15 days on the current schedule, six in the period December 2-17 and nine more for January 6-26.

Interested PAAC volunteers should contact me at their earliest convenience, and will be expected to participate for at least two days. I'll have additional details including directions on reaching the lab for all who contact me. There are a couple Saturdays on the schedule but no nights; times are 8:30am-4:30pm and half-days can be accommodated. Please spread the word as far and wide as possible, and check out the web site <http://www.coloradohistory-oahp.org/programareas/paac/certreq/labcreditb.htm> for updated information.

Thanks, Kevin Black

## **PROGRAM FOR AVOCATIONAL ARCHAEOLOGICAL CERTIFICATION**

---

November 6, 2003

Dear PAAC Lab Volunteer,

Below is a list of dates for your consideration in helping on our upcoming lab project. We will be continuing with the same field school collections as last winter, and also will process the small assemblage from the Summer Training Survey in South Park. In addition there will be an opportunity for a PAAC volunteer currently with the Certified Surveyor I certificate to earn the Certified Surveyor II certificate using a portion of the collections. An updated summary of this lab project will appear on our web site shortly (<http://coloradohistory-oahp.org/programareas/paac/paacindex.htm>). Please check as many of the dates/times as you feel you can commit to, a minimum of at least two days. Also, please sign and return the enclosed Release of Liability form, and be sure to include current emergency contact information.

Please note that the times listed on the enclosed sheet translate to the following hours for both weekday and weekend dates: Morning = 8:30am-Noon; Afternoon = 1-4:30pm. Please read all enclosed information very carefully, as procedures at the "Museum Support Center" (our building at Lowry) are a bit different from those at the State History Museum downtown. If you wish to volunteer during December, please return the appropriate sheets to me ASAP. For the January dates, a mid-December (but before Dec. 21) mailing will be OK. If you cannot participate on this winter's project, feel free to pass on the materials to any other potential volunteer in PAAC. I can be reached at the letterhead address or by phone (303-866-4671), fax (303-866-2711) or e-mail to <[kevin.black@chs.state.co.us](mailto:kevin.black@chs.state.co.us)>.

Sincerely,

Kevin Black, State PAAC Coordinator

## PAAC Laboratory Project Scheduling

I, \_\_\_\_\_, would like to participate on the lab project at Lowry on  
PRINT NAME

the following dates:

	<u>Morning</u>	<u>Afternoon</u>
Tuesday, December 2	_____	_____
Wednesday, December 3	_____	_____
Wednesday, December 10	_____	_____
Saturday, December 13	_____	_____
Monday, December 15	_____	_____

## **Rules of Use - Museum Support Center Denver**

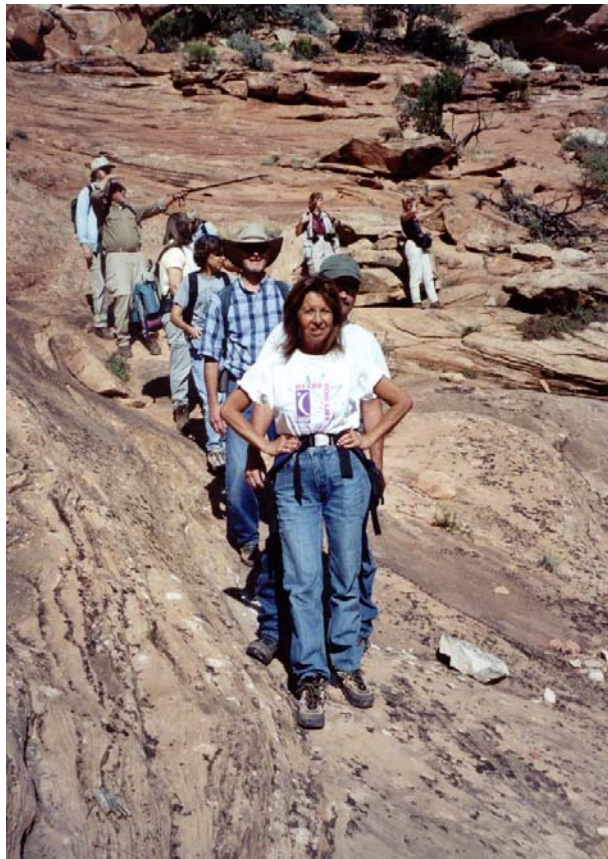

Colorado Historical Society

In order to help maintain optimum conditions for the storage of artifacts, and good working conditions for staff and volunteers, please adhere to the following guidelines:

- No smoking anywhere inside the building. Please smoke outside the building and make certain that cigarettes are fully extinguished.
- Please refrain from eating or drinking in any other room except for the break room (Room 14). Please also store any food products in this room while working at MSCD.
- Please remove all food trash at the end of your work period at MSCD. Place food trash in the dumpster outside the building, or take it with you.
- Please double-check that all storage areas are locked, and that all lights are turned out at the end of your work period.
- Please alert the collections management staff at CHS to any problems with the facility, such as low supplies, plumbing problems, climate control, etc.
- Please do not operate the forklift unless you have been authorized and certified to use the equipment

*Thanks for your assistance in maintaining MSCD!*
