

## Past Program Speakers for Lyons/Indian Peaks CAS Chapter

(Lyons Chapter until charter as Indian Peaks Chapter in March 1990)

1983

January	Meeting at Lyons Redstone Museum to discuss attracting new members
February	Joint meeting with CU Anthropology Dept., Chuck Wheeler – Windy Gap Project
March	James Brady – Application of Aerial Photography to Archaeology
April	No speaker at meeting
May	No speaker at meeting
June	Interim governing body installed
July	Meet all candidates running for office, adopt by-laws
August	Election of officers
September	John Bradley – Survey of BLM Land in Eastern Utah
October	Keith Abernathy and Paul Heinrich – Laramie River Survey near Woods Landing, WY
November	Canceled due to bad weather
December	Canceled due to holidays

1984

January	No speaker at meeting
February	Dr. Steve Cassells – Early Man Settlements in Colorado
March	Ray Lyons – Rock Art of Browns Park
April	Ivol Hagar - Archaeology of the Front Range
May	Dr. Frank Eddy – Chimney Rock- Past, Present, Future?
June	No meeting scheduled
July	2 educational films at CU – Mesa Verde, and Southwest Indians of Early America
August	Dr. Payson Sheets – Archaeology and Volcanism in the Arenal Zone of Costa Rica
September	Mark Chenault – The Pueblo Anasazi of Yellow Jacket
October	Dr. Omar Stewart - Peyotism in the West
November	Dr. Hannah Huse – From Pots to Potters: A Case Study of the Hopi Kawika-a Ceramic Collection
December	First Annual IPCAS Christmas Party at Jean Kindig's House, Boulder

1985

January	Michael Burney - Archaeological Remains of Tres Ritos Hills, New Mexico, High Altitude Archaeology at 11,400 Feet
February	Dr. Bruce Bradley - Lithic Technology
March	Canceled due to CU Spring Break
April	Lucille A. Housley - The Botanist as Anthropologist
May	No speaker at meeting
June	First Annual BBQ/Picnic at Leni Clubb's House, Niwot
July	Dr. Steve Cassells – Front Range Archaeology
August	Larry Colbenson - Orienteering

September	Dr. Dennis Van Gerven – Life and Death in Ancient Nubia
October	Dr. Leslie Wildesen – Impact on Our Archaeological Treasures
November	Dr. Jane Wheeler - Llama and Alpaca Origins, and Real High Altitude Archaeology in the Andes
December	Annual Christmas Party at Vista Village Clubhouse, Boulder
1986	
January	Dr. Fred Lange – Donning the Yellow Jacket, Winning the Masters In Southwestern Colorado
February	Dr. Timothy Baugh – Who Were Those Painted Marauders? The Comanche Problem Revisited
March	Steve Dominguez – A Transhumant Home, Where the Buffalo Roam: Archaeological Investigation on the South Platte
April	Dr. Steve Manning – Rock Art of Southeastern Utah
May	Dr. John (Jack) Eddy – Mystery of the Medicine Wheels
June	BBQ/Picnic at Leni Clubb’s House, Niwot
September	Tom Severs – Remote Sensing for Archaeological Sites
October	Dr. Hara Tzavella- Evjen – Lithares: An Early Bronze Age Settlement Dated 3000-2000 BC
November	Dr. Hugo Ludena – Peruvian Culture Before the Incas
December	Annual Christmas Party at Vista Village Clubhouse, Boulder
1987	
January	Meg Van Ness - Ethnobotany of Pinon Canyon
February	Dr. Robert Hohlfelder – Underwater Archaeology of Caesarea Maritima, Israel
March	Dr. John (Jack) Eddy – The Search for the Ancient Sun
April	Dr. Frank Eddy – Galisteo Basin Project
May	Dr. Larry Todd – Taphonomy, The Study of Bone Assemblages in Prehistoric Sites
June	Potluck Picnic at Sue Struthers’s Farm, Boulder County
August	Marcia Tate – Front Range Archaeology
September	Dr. Jane Day - Images of Gold on Costa Rican Pottery
October	Steve Kalasz – Apishapa Stage of Archaeology in SE Colorado
November	John Cater – Yellow Jacket Site in SW Colorado
December	Annual Christmas Party at Ann Phillip’s House, Boulder
1988	
January	Dr. Bill Lucius – Teaching Sherds to Speak – Time, Space Exchange
February	Fred Blackburn – A Progress Report on the Wetherill Project
March	Ivol Hagar – Colorado Archaeology – The Rewards for an Avocational Archaeologist
April	Dr. Richard Wilshusen – Unstuffing the Estufu: Ritual Features in Pueblo Pit Structures, AD 850-1900
May	Bob Nykamp – Volunteer Program in the Rout National Forest and How You Can participate
June	Potluck Picnic at Sue Struthers’s Farm, Boulder County
August	Marilyn Martorano – Identifying and Recording Culturally Peeled

Ponderosa Pine Trees

September	Dr. Boulas Ayad – Egyptian Archaeology
October	Dr. J. McKim Malville – Astronomy and the Anasazi
November	Dr. Deward Walker – American Indians in Cultural Resource Management
December	Annual Christmas Party at United Methodist Church, Friendship Hall, Erie
1989	
January	Dr. Susan Collins – Architectural Geometry of Mesa Verde Great Pueblo Structure
February	Dr. Payson Sheets – Ceren Site, El Salvador
March	Dr. Sara Nelson – Origin of Agriculture in Northeast China
April	Priscilla Ellwood – Plains Pottery
May	Ivol Hagar – Swallow Site
June	Potluck Picnic at Sue Struthers’s Farm, Boulder County
August	Dr. Jim Grady – Remote Sensing
September	Dr. J. McKim Malville – Archaeoastronomy Remote Sensing
October	Dr. Jane Day – unknown topic
November	Janet Lever – Recording Rock Art at the Pinon Maneuver Site
December	Annual Christmas Party at Ann Phillip’s House, Boulder
1990	
January	Dr. Bill Lucius – City of Boulder Open Space Proposal/Miller Camp Cultural Resource Evaluation Project
February	Julia Johnson - History of the Wetherill-Grand Gulch Research Project in Words, Music and Slides
March	Dr. Susan Collins - Saving Our Past for the Future- Conservation Efforts in Colorado Archaeology Today
April	Terry McCabe - Relationship Between Development and Conservation in Ngorongoro, Tanzania
May	Sue Struthers - Faunal Remains at Senec Dam
September	O.D. Hand – The Tremont House Excavation – Archaeology in Historic Downtown Denver
October	Dr. Frank Eddy – Remote Sensing in the Galisteo Basin
November	Ivor Hagar - Travels in Copan and Tikal
December	Annual Christmas Party at Ed Grefrath’s House, Boulder
1991	
January	Dr. Doug Bamforth - New Perspectives on Early Human Occupation of the Great Plains
February	Pete Gleichman - Rock Creek Campsite in Boulder County
Mar/April	Dr. J. McKim Malville - Ancient Astronomy in India And the American Southwest
May	Dr. Christian Zeir - Recent Archaeological Work at Fort Carson, CO
September	Dr. John Slay, USFS Archaeologist - Archaeology of Arapaho/Roosevelt National Forests
October	Jeannette Mobley-Tanaka - Current Research at Yellow Jacket

November	Janet Lever - What Makes a Site Sacred?
December	Annual Christmas Party at Rick Lippincott's, Erie
1992	
January	Dr. Payson Sheets – Ceren – A Village Frozen in Time, Archaeology in Pre-Columbian El Salvador
February	Dr. Robert Hohlfelder – New Secrets from an Ancient Sea, Underwater Exploration at Caesara Maritima
March	Dr. Jim Benedict – Footprints in the Snow: Prehistoric Human Use of the High Altitude Front Range Ecosystems
April	Dr. Gordon Tucker – Archaeology of the new Denver Airport Site
May	Dr. Dennis Stanford – The Paleo-Indian Occupation of Colorado
August	Picnic at United Methodist Church, Friendship Hall, Erie
September	Rick Lippincott – Did You See that Mastodon Down By the Creek?: Highlights of Colorado Archaeology
October	Dr. Bill Lucius – The Glade Road Rock Shelter, and Update on the Animas-LaPlata Project
November	Dock Teegarden - Stone Circle Field trip from Flatirons Vista TH (substitute for regular monthly meeting)
December	Annual Christmas Party at Foothills Nature Center, Boulder
1993	
January	Roger Echo-Hawk - The Use of Oral Tradition and Archaeology in Understanding Ancient Indian History
February	Dr. Steve Lekson - Chaco Canyon and the Anasazi of Southwest Colorado
March	No meeting scheduled
April	Bill Hammond - An Illustrated History of the Swallow Site 5JF321
May	Michael Burney - The Archaeology of Dowe Flats
September	Bob Powell - Indonesia Archaeology Past and Present
October	Vince Spero - The Archaeology of the San Juan Mountains, from Paleo to Historic
November	Janet Lever - A Holistic Approach to Viewing and Recording Rock Art
December	Annual Christmas Party at (unknown)
1994	
January	Kenny Frost – Sacred Sites, Ancestral Graves and the Archaeology of an 8,000 Year old Skeleton Found in Colorado Mountains
February	Michael Burney – Cultural Resource Management in Colorado's Indian Country : The Dowe Flat's Project
March	Dr. Bob Brunwig – Multi-Disciplinary Investigations on the Pawnee National Grassland, UNC – South Platte Project
April	Dr. Jim Dixon – Quest for the Origins of the First Americans
May	Pete Gleichman –Summary of the 1993 Rock Creek Excavation
September	Dr. Doug Bamforth – Investigation at the Windy Ridge Quarry
October	IPCAS hosts the CAS Annual Meeting

- November Dr. Bob Brunswig – South Platte Project 1994 Research Results  
December Annual Christmas Party at (unknown)
- 1995
- January Dr. Bill Buckles - Historic Archaeological Sites in  
and Around Pueblo, CO
- February Dr. Mort and Joanne Turner - Pleistocene/Holocene  
Quarry and Living Site in Southwestern Montana
- March Michael Oberndorf - The North Table Mountain Site
- April Steve Kalasz - Magic Mountain Site: Results of 1994  
Excavations
- May Meg Van Ness - Plant Remains in Archaeological Sites
- September Dr. Sarah Nelson - Korean Archaeology - Burial of the  
Silla Queens
- October Dr. Scott Elias - Insects in Archaeological Sites
- November Dr. Bob Brunswig - West Stoneham Archaeological  
District Update
- December Annual Christmas Party at Mac Avery's House, Boulder
- 1996
- January Bob Nykamp and Don Rasmussen (double feature):  
Nykamp - Volunteer Opportunities in Arapaho/  
Roosevelt National Forest; Rasmussen - Pleistocene Fossils  
and Porcupine Cave, Central Colorado
- February Dr. Jim Dixon – The Lamb Spring Site
- March Dr. Bill Butler – Ilinwek Village in NE Missouri
- April Yardley Beers – An American Volunteer in Great Britain: Peel and  
St. Albans
- May M. Jean Clottes- Magnificent Rock Art – The Chauvet Cave
- September unknown
- October Dr. Jim Dixon – Ancient Remains at Alaskan Burial Site
- November Pete Gleichman – The Final Word on Rock Creek
- December Annual Christmas Party at Mac Avery's House, Boulder
- 1997
- January Jean Kindig – Two Ceramic Sites in the Indian Peaks Wilderness
- February Janet Lever and Courtney Yilk – Recording Rock Art from Utah to  
Zimbabwe
- March Dr. Jim Benedict – The Devil's Thumb Game Drive Site 5BL3440
- April Dr. Bob Brunswig – Paleoenvironmental and Cultural Change in  
Northeastern Colorado: New Insights and Prospects
- May J. David Lewis-Williams – Shamanism and Ritual in the San Rock  
Paintings of South Africa
- September Dr. John Ravesloot – The Casa Grandes Complex and the Paquime  
Archaeological Site
- October Dr. Robert Hohlfelder –The Mystery of Aperlae: A Submerged  
Coastal town of Ancient Lycia
- November Dr. Payson Sheets – Joya de Ceren
- December Annual Christmas Party at Morey and Janet Stinson's House,

## Boulder

1998

January Bob Powell - Mayan sites in Oaxaca, Mexico  
February Dr. J. McKim Malville - Astronomy of Chimney Rock  
March Drs. Cathy Cameron and Steve Lekson - Bluff Great House  
April Dr. Doug Bamforth - rescheduled to Nov.  
May Dr. Payson Sheets - Joya de Ceren  
September Dr. Jack Smith - Scandinavian Viking Ships  
October Dr. Bob Brunswig - Mountain Lowland Archaeology of  
Southern France  
Special October Meeting Drs. Ronald and Samantha Messier -  
Empires of Ancient Morocco  
November Dr. Doug Bamforth - Warfare on the Plains  
December Annual Christmas Party at Morey and Janet Stinson's House,  
Boulder

1999

January Bob Powell - Mayan Archaeology in Copan, Honduras  
February Julie Francis - Rock Art of High Plains and Inter-  
Mountain West  
March Dr. Richard Wilshusen - Recent Research in Post Pueblo  
Archaeology in the Four Corners  
April Dr. Larry Todd - Archaic Bison Hunters of Northern  
Colorado  
May Kevin Black - Human Burials  
September Dr. Steve Lekson - Update on the Work at Casa Grandes  
October Dr. Frank Eddy - Working in the Sinai Peninsula  
November Dr. Steve Cassells - Anasazi Pit-House Villages, North of Bluff,  
Utah  
December Annual Christmas Party at CU Museum

2000

January Dr. Bill Buckles - Ancient Pathways of Great Britain  
February Dr. Larry Conyers - Using Ground Penetrating Radar to  
Discover and Map Archaeological Sites  
March Dr. Doug Bamforth - Willow Bunker Project Progress Report  
April Dr. Bob Brunswig - RMNP Survey Project Progress Report  
May Dr. Linda Cordell - Better Living Through Chemistry  
in the Ancient Southwest  
September Dr. Dean Saitta - Ludlow Massacre Site in Southern  
Colorado  
October O.D. Hand - Lena Gulch Site near Golden  
November Dr. Bonnie Pitblado and Russell Smith(double feature):  
Smith - Archaeology Tour of Petra  
Pitblado - Late Paleo-Indian Occupation of the  
Chance Gulch Site, Gunnison County, CO  
December Annual Christmas Party at CU Museum

2001

January Kevin Black - Progress Report on PAAC Summer Training Survey in South Park, CO  
February Shannon Smith - Effects of Fires and Firefighting In and Around Archaeological Sites  
March Tom Meier - Sand Creek Massacre Site  
April Jeannette Mobley-Tanaka - Yellow Jacket Site in Southwestern Colorado  
May Dr. Cathy Cameron - Exploring the Northern Frontier of the Chacoan Regional System (Bluff Great House)  
September Dr. Mark Stiger - Paleoindian and Archaic in Western Colorado  
October Dr. Jim Dixon - The First Americans  
November Dr. Marcel Kornfeld - Paleoindian Prehistory in Middle Park  
December Annual Christmas Party at CU Museum

2002

January Bob Patten - Lithic Forensics: A Case of Rock Dismemberment  
February Dr. Payson Sheets - What if the Maya Commoners of the Classic Period had Choices?  
March Jeff Ferguson - flintknapping demonstration  
April Dr. Doug Bamforth - Megaliths to Microscopes in the Irish Neolithic  
May Dr. Jim Benedict -A Revisit to the Fourth of July Valley Site, Site 5BL120  
September Diane E. Sieber - Noble/Savage: Early Spanish Ethnography in the American Southwest  
October Dr. Nicole Branton - Manzanar War Relocation Center: A WWII Japanese-American Internment Camp in CA  
November Jim Pilkington - Anthropology of Palau  
December Annual Christmas Party at The Atrium, Boulder

2003

January Dr. Steve Holen - Preclovis Mammoth Sites  
February Dr. Art Joyce - Archaeology and History of the Tututepec Empire, Oaxaca, Mexico  
March Linda Scott Cummings - Prehistoric Diets in the Old And New Worlds  
April Meeting canceled  
May Ken and Ruth Wright - Machu Picchu-New Discoveries  
September Dr. Steve Lekson - Canada Alamosa  
October Dr. Bob Brunswig - Ritual and Cultural Adaptations in the Late Pleistocene-Early Holocene Pyrenees  
November Jeff Ferguson - Analysis of the Colorado Obsidian Database  
December Annual Christmas Party at The Atrium, Boulder

2004

January	Dr. Robert Hohlfelder - Rome's Maritime Architectural Revolution
February	Dr. Doug Bamforth - Windy Ridge: Hunter-Gatherer Mining on the Continental Divide
March	Tracy Sweely - Invisible Maya: Locating Non- Platform Dwellings Using Electromagnetic Induction
April	Bill Hammonds - Swallow Site Update
May	Mark D. Mitchell - Native American Rock Art Traditions of the Upper Arkansas River Basin, 1500-1850 AD
September	Linda Scott Cummings - Prehistoric Diets in the Old and New Worlds
October	Dr. Bob Mutaw - Archaeological Investigations near Parker, CO
November	Cherie Walth - How to Recognize Human Bone
December	Annual Christmas Party at The Atrium, Boulder

## 2005

January	Kevin Black - Lots of Rocks: Archaeology in Pike's Stockade Area
February	Morey Stinson - The Rock Art of the Four Corners and Beyond
March	Dr. John Slay - Rock Art Sites in West Central Colorado
April	Dr. Doug Bamforth - Industrial Middle Woodland Bison Hunting on the Great Plains
May	Sierra Standish - A Subtle Story: The Historic Trails of Rocky Mountain National Park
September	Dr. Calvin H. Jennings - Applied Archaeology: Crime Scene Investigation and Reconstruction
October	Dr. Bill Butler - What's New at Rocky (Mountain NP)
November	Jean Stuck - Historical Forts
December	Annual Christmas Party at

## 2006

January	Dr. Bob Brunswig - Roman Archaeology in Roman Gaul
February	Dr. Steve Holen - The Mammoth Steppe Hypothesis: Early Humans in North America and the Origin of The Clovis Culture
March	Dr. Nicole Waguespack - Recent Excavations at Barger Gulch
April	Ted Oppelt - Prehistoric Ceramics of the Southwest
May	Ken and Ruth Wright - Mesa Verde Ancient Water Harvesting
September	R.A. Varney – Setting the Stage for Cultures: Modeling Colorado Climate
October	Errin Weller – Satellite Imagery Use at Mayan Sites in Guatemala
November	Kendra Przekwas – Bear Images in Cultural Pathways of Native Americans
December	Annual Christmas Party at The Atrium, Boulder

2007

- January Dr. Craig Lee - Withering Ice Patches – A New Paleoeological/Archaeological Research Frontier in the Western United States
- February Dr. Doug Bamforth - Pre-Contact Settlement Evidence in Northwestern Nebraska
- March Jeff Pappas - Devils Tower
- April Dr. Tom Stafford - Work in Chile this past year with 8900 radio-carbon year old Human Skeletons
- May Dr. Jason LaBelle - From Lindenmeier to Lykins Valley – 12,000 Years of Archaeology on the Soapstone Prairie and Red Mountain Ranches of Larimer County
- September Dr. Carol Patterson - The Interpretive Project of Rock Art of the Uncompahgre Plateau
- October Chris VonWedell - History of Glass Beads in America
- November Robin Roberts - Historic Homesteads on the Pawnee National Grassland
- December Annual Christmas Party at The Atrium, Boulder

2008

- January Kevin Black - Colorado Lithics: Who Doesn't Love Rocks?
- February Sheila Goff - Mantle's Cave Site
- March Dr. Nicole Branton - Tie Hacking Camps
- April Dr. Bob Brunswig/Dr. Fred Sellet - UNC's North Park Cultural Landscapes Project – Archaeological Research into Ten Millennia of Mountain Basin Hunting and Gathering
- May Jeff Campbell - Sand Creek Misconceptions and Myths
- September Keith Bilby (flintknapping demo) and Dr. Steve Lekson - Tour Backstage at the Museum
- October Becky Latanich – unknown topic
- November Cody Newton – Protohistoric Period in NorthCentral Colorado: The Lykins Valley Site (5LR263) Revisited
- December Annual Christmas Party at St. Andrews Presbyterian Church, Boulder

2009

- January Ann Phillips - The Basketmaker Revisited ..Again
- February Katy Putsavage - Ancient Function of Mesa Verde Mugs
- March Judy Cooper – From Lithic Scatters to Bison Kills: Using GPS at Different Scales of Archaeological Investigation
- April Phil Williams (Pikes Peak Chapter) - Macedonia Excavation
- May Dr. Fred Sellet - UNC's North Park Cultural Landscapes Project, Paleoenvironment Reconstruction Research Results
- September Dr. Doug Bamforth - Mahaffy Clovis Cache
- October Dr. Michael Kimball - Saving Skwaasutek: Protecting the Petroglyphs of Coastal Maine

November	Neffra Mathews and Tom Noble - Photogrammetry
December	Annual Christmas Party at St. Andrews Presbyterian Church, Boulder
2010	
January	Kevin Black - Lithic Sourcing
February	Robert Rushforth - Aviation Archaeology
March	Dr. Bob Brunswig/Dr. Fred Sellet - Archaeological Research at UNC and Beyond
April	Dr. Art Joyce - Rio Viejo Site, Oaxaca, Mexico
May	Dr. Jim Benedict - Archaeology Above Timberline
September	Mark Owens – Archaeological Evidence Supporting Apishapa Phase Warfare
October	Alice Tratebas - Whoop-Up Canyon, Wyoming- Dating, Fire Damage and Finished Photogrammetry
November	Dr. J. McKim Malville - The People, the Moon, and the Great House at Chimney Rock (archaeoastronomy)
December	Annual Christmas Party at St. Andrews Presbyterian Church, Boulder
2011	
January	Laurie White - Rock Art
February	Caitlin Sommer- Feathered Artifacts in the Mantle's Cave Collection at the CU Museum
March	David T. Williams, Harold Baillie – Research on Lithic Assemblages Within the Lower Rio Verde River Valley Region of Oaxaca, Mexico
April	Dr. Bob Brunswig - Story of Dearfield, Colorado; African-American Agricultural Community in the early 20th Century
May	Dr. Craig Lee - Ice Patch Archaeology
June	Potluck Picnic at Betasso Preserve, Boulder County Open Space
September	Jakob Sedig - An Examination of Projectile Point Use in the Northern American Southwest, A.D. 900-1300
October	Annual Meeting in Boulder, banquet speaker Dr. Doug D. Scott - Sand Creek Massacre Site
November	Dr. Nicole Branton - Rocky Mountain Aircraft Crashes
December	Annual Christmas Party at Community UCC Church, Boulder
2012	
January	Marcy Reiser -The Stories Trees Tell: Dendroarchaeology and Culturally Modified Trees in Northern Colorado and Wyoming
February	R.A. Varney - Radio Carbon Dating: The Background Information Many Archaeologists Never Get
March	Dr. Steve Lekson - Yellow Jacket – The Largest Mesa Verde Town
April	Dr. Bob Brunswig - Building Transnational Mountain Archaeology Collaborative Research Programs in Rocky Mountain National Park and Tatra National Parks of Poland and Slovakia

May	Kevin Black - The Snowmastodon Project, Site 5PT1264
June	Potluck Picnic at Betasso Preserve, Boulder County Open Space
September	Dr. Jason LaBelle - Archaeology of Rollins Pass Area
October	Dr. Bill Butler - rescheduled to March 2013
October	Annual Meeting in Boulder, banquet speaker Dr. Bill Lipe, Glen Canyon Archaeology
November	Jakob Sedig - Preliminary Archaeological Research at Woodrow Ruin (SW New Mexico) – Prehistoric Mimbres Culture
December	Annual Christmas Party at Community UCC Church, Boulder
2013	
January	Dr. Mark Mitchell - Archaeology of the San Juan High Country: New Views from the Uncompahgre Cirque Site
February	Dr. Richard Wilshusen - The Dine at the Edge of History: Navajo Ethnogenesis in the Northern Southwest Between AD 1500-1750
March	Dr. Bill Butler - Fur Trade Forts of Colorado
April	Pete Gleichman - Indigenous Sites of Boulder County
May	Neil Hauser - Blackfoot Cave Project
June	Potluck Picnic at Walker Ranch
September	Dr. Lynda McNeil - canceled due to flood
October	Dr. Bonnie Clark - Archaeology of Amache: Colorado's Japanese American Internment Camp
November	Jakob Sedig - Three Years of Research at Woodrow Ruin: Uncovering an "Atypical" Mimbres Site
December	Annual Christmas Party at Community UCC Church, Boulder
2014	
January	Ann Phillips – The Rock Art of Upper Sand Island
February	Dr. Steve Lekson – The Ancient Southwest
March	Heidi Short – Geophysics and Excavating at the Alonzo Allen Cabin Site near Allenspark
April	Dr. Dean Saitta – Excavating and Remembering Ludlow – 100 <sup>th</sup> Anniversary
May	Dr. Scott Ortman –What the Pueblos Can Teach Us About Social Development
Special May	Presentation: Dr. Steve Lekson – Chaco Canyon
June	Potluck Picnic scheduled Walker Ranch?
September	Montoya Whiteman – Sand Creek Massacre
October	Dr. Lynda McNeil - San Juan Basketmaker II and Headdress Designs: Linguistic Artifacts with Roots in Western Mexico
November	Dr. Cathy Cameron – The Archaeology of Comb Ridge, Southeastern Utah
December	Annual Christmas Party at Community UCC Church, Boulder

2015

- January Chris Johnston – Archaeology of Niwot Ridge and Surrounding High Altitude Landscapes of the Front Range
- February Dr. Steve Lekson – Ancient North America, Entire - Chaco, Cahokia, Tula, Chichen Itza and Aztatlan
- March Erin Baxter – Fire, Sweet Corn, Violence, Demography, Woodrow Wilson and the Lindberghs: A New History of Aztec Ruins Excavated from Earl Morris’s Field Notes (with some interesting implications for Chaco Canyon, too)
- April Chris Kerns – Neolithic Lifeways: Interweaving Spatial, Temporal and Monumental Evidence of Past Human Behavior in Neolithic Orkney, Scotland
- May Dr. Bob Brunswig – Archaeology and Thirteen Millenia of Native American Occupation in Rocky Mountain NP: A century of Exploring Cultural Heritage in the Park
- Special June Presentation: Jakob Sedig – Mimbres Culture and Sites
- July Summer Picnic and Field Trip to Lava Cliffs in Rocky Mountain NP with Dr. Bob Brunswig
- September Lindsay Johansson – It Takes a Village: Community Life Among the Fremont of the Northern Southwest
- October Dr. Payson Sheets – Did the Ilopango Eruption in El Salvador Cause the Collapse of Teotihuacan?
- November Guy Hepp -La Consentida: The Origins of Village Life in Coastal Oaxaca, Mexico
- December Annual Christmas Party at CU Museum

2016

- January Dr. Peter Wood - Missing the Boat: Ancient Dugout Canoes in the Mississippi and Missouri River Valleys
- February Dr. Holly Norton – Archaeological Evidence of the 1733 St. Jan Slave Rebellion in the Danish West Indies
- March Dr. Mark Mitchell – Return to Upper Crossing: What New Architectural Data Tell Us about American Indian Settlement Systems in the Southern Rocky Mountains
- April Laurie Webster and Chuck LaRue – Ancient Woodworking, Animal Use and Hunting Practices in Southeastern Utah: New Insights from the Study of Early Perishable Collections
- May Dr. Richard Wilshusen – Great Houses, Great Leaders and Great Change: Mesa Verde’s Role in the Creation of the Chaco World
- September Dr. Doug Bamforth – Where is the American Southwest and Why Is It No Longer There Anymore?
- October Dr. Christian Zier – The Archaeology of Archaeology : Reconstructing Trinchera Cave
- November Kevin Black – PAACing It In: A Moon Dance in Archaeology
- December Annual Christmas Party at CU Museum

2017

January	Chris Johnston - Running of the Buffalo: The Archaeology of the Roberts Buffalo Jump (5LR100), Northern Colorado
February	Dr. Lynda McNeil – The Kiowa Odyssey: Evidence of Historical Relationships Among Pueblo, Fremont and Northwest Plains People
March	Dr. Larry Benson – Winnemucca Lake, Nevada Petroglyph Site 10,500 to 14,800 Years B.P.
April	Dr. Kevin Gilmore –Franktown Cave (5DA272): New Analysis of Data and Its Relation to Apachean Migrations
May	Dr. Phil Geig – Basketmaker II Warfare and Fending Sticks in the North America Southwest
September	
October	
November	
December	Annual Christmas Party at CU Museum
